

SAVE MONEY AND ADD VALUE TO YOUR BUSINESS

Our Small Business Direct Install Program is designed to help your business be more energy efficient and save money. By participating, up to 80% of your total project costs may be covered when you install approved equipment, using a participating contractor.

What types of equipment are eligible for incentives?*

Interior and exterior lighting

LED exit signs

ECM motors for reach-in cases, freezers, and coolers

Strip curtains for walk-ins

Anti-sweat heater controls

Follow these two steps to savings:

1

SIGN UP FOR YOUR FREE ASSESSMENT.

A qualified participating contractor will visit your business and conduct a free energy assessment. Schedule by calling **877-334-1715** or emailing **DUQLightBusinessSolutions@FranklinEnergy.com**. You can also sign up online by completing the form found at **duqenergyefficiency.com**.

2

WORK WITH A REGISTERED CONTRACTOR TO MAKE RECOMMENDED UPGRADES.

Based on your assessment, your energy advisor will provide you with a report of recommended energy-efficient upgrades and will connect you with a registered contractor. Up to 80% of the material and labor costs of these upgrades may be covered through the program.

Does my business qualify?

In order to qualify, your facility must be a customer of Duquesne Light Company, with maximum annual demand of less than 200 kW. Talk to your energy advisor about what incentives you may be eligible for.
